

DID YOU KNOW?

CHICKEN

We use chicken that is free of routine antibiotics, animal by-products and growth promoters.

KIDS' PORTIONS

We care about offering balanced portion sizes to give kids the nutrients they need to grow and develop.

SUGAR-WISE

We avoid added sugars in our food and smoothies, to help you make healthier food choices.

INGREDIENTS

We use responsibly sourced, natural ingredients, because little bodies are better without artificial flavourants, colourants and preservatives.

SUSTAINABLE

Our kids' menu has been printed on paper from FSC-certified sustainable forests, because green is our favourite colour.
